

2017 QSEN Poster Presenters List

ID	First Name	Last Name	Abstract Title
1	Corinne	Abraham	A Department of Veterans Affairs Specialty Care Education Center of Excellence (SCECoE): An Interprofessional Collaborative Practice Model
2	Alham	Abuatiq	E-Learning in Nursing: Effectiveness of Shadow Health Pharmacology
3	Catherine	Alexander	Creating and Sustaining a Healthy Work Environment: A Critical Step Toward Improving Patient Care
4	Donna	Badowski	Motivational Interview Simulation in Distance Education: The Magnificent Mile to Patient-Centered Care
5	Nina	Barkell	Four Years Later: Evolution of an Error and Near Miss Reporting Program in Nursing Education
6	Leanne	Boehm	Implementation of ICU Recovery Groups to Reduce the Burden of Post-Intensive Care Syndrome
7	Trish	Brown	Quality and Safety Driving Evidence-based Improvement in Perioperative Nursing
8	Cathleen	Butenewicz	Executive Leadership Rounding: It's Effect on Patient Satisfaction and Patient Outcomes
9			
10	Sandy	Cayo	Applying QSEN Competencies in Simulation Clinical: Key to Preparing Safe Nurse Clinicians
11	Roberta	Christopher	At work but not present: Nurse Perceptions of Quality and safety
12	Paula	Clutter	Integrating Quality and Safety Education for Nurses (QSEN) Competencies In An Undergraduate Clinical Simulation Experience
13	Mona	Cockerham	Three Consecutive 12-HR Workdays - The Effects on Stress, Biomarkers & Fatigue
14	Cathy	Cormier	Promoting Teamwork and Collaboration among Clinical Laboratory Technology and Associate of Science in Nursing Students: A Pilot Program
15	Mary	Costello-Kozuch	Development of a Diabetes Nurse Champion Program to Improve Glycemic Management
16	Ciara	Culhane	Reimagining the QSEN Framework - Innovative Approaches for Applying QSEN in the Practice Setting
17	Tamala	David	Delivering Safe, Quality Nursing Care to Deaf Older Adults is More Than American Sign Language
18	Nicole	Delinski	Apps at the Bedside to Decrease Heparin Errors
19	Terry	Delpier	Cultivating an Interprofessional Poverty Simulation Experience
20	Kimberly	Dillon-Bleich	Competency Testing: Evaluating the Integration of QSEN Competencies and Preparedness for a Safe Transition to Practice

2017 QSEN Poster Presenters List

21	Timothy	Dunham	Increasing Patient and Family Engagement to Reduce Fall Incidence
22	Nancy	Ebersole	A Critical Appraisal of Patient Safety: Matching Skills to the Students' Level of Learning
23	Shannon	Elliott	Embedding Quality and Safety Competencies in an Integrated Concept and Competency Based Curriculum
24	Eileen	Fleming	Interprofessional Education for Nurse-Led Falls Prevention
25	Jill	Forcina Hill	Using QSEN's KSAs in a Graduate Course Aimed at Improving Quality, Safety, and Outcomes in Healthcare Systems
26	Kari	Gali	Collaborative Partnering for Quality in Telehealth
27	Lee	Galuska	A High-Reliability Approach Using the QSEN Framework Transforms Health System Initial Nursing Competency Validation
28	Amanda	Gartner	Hot Dog! An Innovative Approach to Teaching Process Improvement
29	Sandra	Hall	The Nurse Skill Balancing Act: Implementation of a Transition Fellowship to Enhance Patient Safety
30	Shanell	Hill	Implementing the IHI Open School into a Nursing Curriculum
31	Leslie	Hopkins	Influencing Legislators to Improve the Health Care System: A QSEN Educational Innovation Strategy
32	Wendy	Hansbrough	Multi-Patient Quality and Safety Simulation Experience
33	David	James	Using an Interprofessional Scholar Program to Hardwire Evidence Based Quality Care for Vulnerable Patients
34	Christopher	Kahle	Beating the QSEN Drum: Dancing to the Rhythm of Quality and Safety in Practice
35	Sheila	Keller	Incorporating Safety and Quality Improvement in Formative Simulations
36	Eun Man	Kim	Assessing Nursing Handoff and Patient Safety Culture in Korean Hospitals
37	Linda	Kim	Improving Primary Care Work Environments as a Strategy for Optimizing Quality and Patient Safety
38	Tracy	Kinner	Linking QSEN Competencies in High Fidelity Simulation to Promote Safe Patient-Centered Care
39	Sonya	Kowalski	Evolution of Patient Safety Through Analysis of 115 Years of The American Journal of Nursing
40	Mary Jo	Krivanek	Nursing Academia and Practice Incivility Resources
41	Srikanth	Kurapati	Utilizing Statistical Process Control to Assess the Progression of Self Reporting of Errors
42	Amelia	Lanz	Communicating Patient Status: A comparison of teaching strategies in pre-licensure education

2017 QSEN Poster Presenters List

43	Ronda	LaVigne	Under Construction; Redesigning the Clinical Precepted Experience Using an Evidence Based Tool
44	Amy	Lee	Using High Fidelity Patient Simulations to Evaluate Student Nurse Safety Competency
45	Necole	Leland	Using Simulation to Incorporate Quality and Safety Communication Goals into a Pre-Licensure Nursing Program
46	Rayna	Letourneau	Medication Safety in an Accelerated BSN Program
47	LaToya	Lockett	Decreasing Blood Culture Contamination in the Emergency Room
48	Edna	Magpantay-Monroe	QSEN Activities and Psychiatric Mental Health Content Mastery
49	Allison	Maloney	Developing Teamwork & Collaboration in Baccalaureate Nursing Students: Examining Strategies Across Curriculum.
50	Kelli	Masters	Assessing Communication and Teamwork during Pre-Licensure Interprofessional Simulation
51	Donna E.	McCabe	Enhancing Medication Safety Teaching through Remediation and Reflection
52	Marjorie	McCaskey	Bringing High Reliability to the Bedside: Building a Culture of Safety
53	Kerry A.	Milner	Using QSEN Competencies of EBP and Patient-Centered Care to Drive Advanced Practice Nurses Implementation of Warfarin Self-Management
54	Suzie/Terri	Miltner/Poe	Advancing Quality and Safety Competencies Using the Clinical Nurse Leader Role (CNL) for Targeted Microsystem Improvement in Pressure Ulcer Reporting
55	Suzie/Terri	Miltner/Poe	Advancing Quality Improvement Competence: The Development of a CNO Accountability Scorecard
56	Dolores	Minchhoff	Teamwork and Collaboration with Community Partners through Service Learning
57	Madeline	O'Donnell	Creative Curriculum Redesign: Three year outcomes of Applied Quality and Safety Curriculum Integration in two first year Generalist Nursing Courses
58	Brant	Oliver	Improving performance of educational microsystems: Results of formal improvement intervention on NCLEX performance from 2014-2016.
59	Ashley	Pildis	Improving Quality Patient Care Through an Evidence-Based Approach to Hemolysis Reduction
60	Carl	Pittman	Using Case Studies and Simulation to Improve Clinical Reasoning and Safety in pre Licensure Nursing Programs
61	Kristina	Green	Integration of Applied Healthcare Improvement Curriculum in a Graduate Nurse Practitioner Program.

2017 QSEN Poster Presenters List

62	Ellen	Renna	Using Simulation to Enhance Critical Thinking, Communication Skills and Safety in Beginning Level Nursing Students
63	Janet	Rosado	Research isn't so bad after all": engaging a unit of clinical nurses in multisite nursing research
64			
65	Julie	Sanford	Developing a Magnificent Model of International Collaboration for QSEN Academic Innovation
66	Juliana	Santana de Freitas	Knowledge on Patient Safety in Primary Health Care in Brazil before and after a Program Developed by Tele-Education
67	Lois	Scipione	Seeing Practice as Process: Teaching Quality Through Self Reflection
68	Theresa	Shaughnessy	Moving from a Culture of Blame to a Just Culture: Creating a Safety Event Reporting and Learning Tool
69	Kimberly	Silver Dunker	Creating an "Elder" Centered Care environment: "Flipping the Classroom and Clinical Setting"
70	Kimberly	Silver Dunker	Nursing Faculty Development Implementation of QSEN Competencies for Clinical Faculty Development
71	Ann	Solari-Twadell	Employing QSEN KSA's as a Framework for a Pre-Licensure Course Utilizing Gamification as a Teaching Strategy
72	Ann	Stalter	Systems Thinking for Innovation: Evidence-based Teaching Strategies for Curricular Enhancement and Measurement in Interprofessional Education
73	Ann	Stalter	Can Civility Improve Patient Quality and Safety? Evidence-Based Recommendations Using Systems Thinking
74	Stephanie	Tippin	Applying QSEN Competencies to Systems-Based Learning: Implementation of a Quality Improvement Project and Virtual Poster Conference Experience
75	Elizabeth/Juliane	Tovar/Ossegue	QSEN in DNP Education: Exemplars for Education and Practice
76	Peggy	Trent	Enhancing systems thinking for undergraduate nursing students using the 'Friday Night at the ER' simulation.
77	Richard	Watters	Quality Improvement and Patient Safety: Team Work and Collaborative Approach to Student Learning
78	Megan	Wolfe	An Assessment of Errors and Near-Misses from Pre-Licensure Student Nurses
79	Jen-Huei (Vicky)	Yeh	Using Online Deliberate Practice to Develop Interprofessional Communication Skills in Pre-Licensure Nursing Students

2017 QSEN Poster Presenters List

80	Cindy	Zellefrow	Forging the Road to Quality and Safety in RN to BSN Education through Integration of EBP Competencies
81	Cindy	Zellefrow	The EBP Immersion Program; A Tested and Successful Educational Approach for Developing EBP Competence
82	Carolyn	Ziebert	The Use of Cognitive Rehearsal by Nurses to Address Workplace Bullying
83	Mary	Zonsius	An Innovative APRN-DNP Course: Integrating QSEN Competencies to Improve Quality/Safety for Aging Adults
