If you are looking to become a patient safety leader, come join the ranks of over 750 Telluride Alumni Scholars at The Academy for Emerging Leaders in Patient Safety: *The Telluride Experience!* See for yourself what medical students and advanced practice nurses\* from across the country have already experienced in the 4-day, intensive patient safety workshops, where you will take part in:

- A one-of-a-kind learning environment encouraging attendees to think, feel, do and share differently
- A place to collaborate with, and get to know, global patient safety thought leaders from the frontlines of healthcare, patient advocacy, industry and academic nursing/medicine
- The preeminent peer networking experience! A place to begin building a larger community of patient safety change agents prepared to take action and support one another

Thanks to the generous support of our sponsors, The Doctors Company Foundation and MedStar Health, scholarships are available once again for 2018! Apply today and become part of a select group of Patient Safety Leaders.
