

# SQUIRE

*Promoting Excellence in Healthcare Improvement Reporting*

## 3<sup>RD</sup> Annual SQUIRE Writing Workshop

### Wondering how to plan & write up your intervention for publication?

**November 14-15, 2017**  
**High Tech High**  
**San Diego, CA**

Register here!

[www.squire-statement.org/conference](http://www.squire-statement.org/conference)

- Learn how SQUIRE can help improve the design and reporting of your interventions
- Expand your writing skills with faculty facilitators
- Advance a manuscript you bring, or use this workshop to get started on your writing
- Network with others working on similar goals

#### **Main Sessions**

November 14: 8:00am – 5:00pm, with an evening networking reception!

November 15: 8:00am – 12:00pm

#### **Stay longer – write more!**

November 15: 1:00 - 4:00pm

- SQUIRE faculty will provide additional support, feedback, and mentoring
- Limited to 20 participants

SQUIRE stands for Standards for QQuality Improvement Reporting Excellence, which are an internationally developed framework for reporting healthcare improvement. Recently, SQUIRE has been expanded to support reporting of educational interventions. In addition to helping you write about your work, SQUIRE has a bonus feature, which is that it can also help you plan and carry out your QI intervention!

#### **KEYNOTE SPEAKER**

**Linda Headrick, MD, MS**

Helen Mae Spiess Professor in Medicine at the School of Medicine  
University of Missouri in Columbia, Missouri  
Senior Scholar at the Center for Health Care Quality
