

Math Simulation Student Evaluation

This is an anonymous survey that will be used to create a better learning experience for future math simulations. This evaluation will have NO effect on your grade or completion of the course. Your participation is voluntary but strongly recommended. Thank you.

Question	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
1. This simulation was a valuable learning experience.					
2. I would recommend this simulation to other nursing students.					
3. The length of time for each station was appropriate.					
4. The problems within each simulation station were effective in reviewing content previously learned.					
5. This simulation helped me to put math learned this semester into real life scenarios					

What recommendations would you like to see in future math simulations?

List what areas that you enjoyed the most about the simulation.

List what areas that you did not enjoy about the simulation.
