Marshmallow Challenge - Student Self-Reflection/Team Debrief

Instructions: Individually fill out the questions below and then discuss your answers with your individual team. You will have 10 minutes and then all teams will meet again to share insights during a group team debrief.

Teamwork
What did you do well within this team?

What could you have improved upon within this team?

Collaboration
What did you learn about collaborating as a team from this experience?

What will you use from this collaborative experience in your future practice?

Evidence-Based Practice
How has this challenge increased your understanding of EBP?

What were some of your most powerful learning moments related to EBP?
