

Teamwork/Collaboration

- What is your success story focusing on teamwork?
- What is your not so successful story focusing on teamwork?
- Tell me about a team/group project that you worked on.
- Have you ever been in a situation where you've found that working on a team was more successful than working alone?

Leadership

- Tell me about a time you stepped up into the leadership role...
- Tell me about a time that you took the lead on a difficult project...
- How do you motivate other people to work with you?

Problem Solving

- Tell me about a situation where you had to solve a difficult problem.
- Describe a time when you were faced with a stressful situation that demonstrated your coping skills.
- Describe your style in dealing with difficult patients, preceptors, inter-professionals.
- Give an example of an occasion when you used logic to solve a problem.
- Describe a difficult decision you've had to make in your life and how you went about doing it.
- Tell me about a time when in the program you made a mistake and it affected you adversely and how you coped with it.

Communication/Handling Conflict

- Tell me about a time you had a conflict at clinical.
- Tell me about a time that you disagreed with a rule or approach.
- Describe a situation in which you were able to use persuasion to successfully convince someone to see things your way.

TOUCHPOINT: SESSION TWO BEHAVIORAL QUESTIONS

- Tell me about a time when you were asked to take sides regarding another student and you remained neutral.
- We've all had to work with people who don't like us. How do you deal with someone who doesn't like you?

Initiative "Self-Starter"

- Tell me about a time when you had to go above and beyond the call of duty in order to get a job done.
- Give me an example of a time when you set a goal and were able to meet or achieve it.
- Give an example of a situation in which you took specific steps to further your career as a student nurse.
- Describe a time when you anticipated potential problems and developed preventive measures. (Your reaction was proactive, not reactive.)

Your story is inspiring and you inspire me by the way you....
